Grove Park Primary School is committed to serving its community and surrounding areas. We recognise the multi- cultural, multi faith nature of the United Kingdom and understand the crucial role we play in promoting these values.

Democracy

Children are involved in democratic processes e.g. voting for House Captains and School Council Reps.

School Council led by children and supported by a staff member.

We have links with the community and the local PCSOs who visit school to talk about upholding the law and British values.

Mutual Respect

Our behaviour, PSHE and RE polices embody values of mutual respect. For example, learning about relationships and being a responsible citizen.

Tolerance of those of different faiths and beliefs.

Our R.E. curriculum provides and broad and balance education on a range of faiths, religions and cultures. At Grove Park we have a strong emphasis on Christian Values.

We have a number of children from a range of religious backgrounds and beliefs and we share and respect the diverse world we live in.
