

Your Help is Requested!

Our school have recently signed up to a new and exciting concept of play. Over the next 2 years we are hoping to develop lots of new areas of play that will teach our children all the things that need to be learnt but cannot be taught. We have already started introducing new things, including music at lunch time through 2 new outdoor speakers, and 2 new mirrors for those dance moves to be perfected in front of. As part of the next phase, we are asking for your help!

Do you have any of the following things at home that have been outgrown or are no longer needed?

- **Things for dressing up – this can include handbags, hats, work hats, dressing up costumes, the list is endless.**
- **Lego/duplo/building bricks.**
- **Small world items like – toy cars, dinosaurs, dolls house furniture, small people, farm animals, little trains and tracks, or any small props that encourage children to use their imagination and have fun.**

From Monday 5th through to Friday 9th February there will be bins placed near to the drop off zone for you to leave any of the above items. These will used by the children so please make sure they are of good quality and most importantly safe to use. We of course still welcome any donations outside of this time as we know not everyone does drop off.

**Many Thanks
from the HSA and OPAL team.**
